Cleveringa lecture

On Thursday the 26th of November, the institute organized its annual "Cleveringa lecture", this year delivered by Prof. dr. Olaf Kaper. We combined this with a seminar during the day on the Libyans in Ancient Egypt during the Third Intermediate Period. We look back on a successful day.

Films and Lectures

In the second half of November we moved to a new theme: 'Language and Books'. We selected some interesting films and lectures and are looking forward to see you all at our events. On the occasion of International Human Rights Day (December 10), NVIC and the Embassy of the Netherlands, invite you to the screening of the documentary 'E-Team' on Sunday 13 December.
