Walking from Central Station:

The Campus The Hague buildings are about a 10 minutes walk from The Hague Central Station.

If you leave Central Station from the front side, you will see a crossing at your left hand side (Bezuidenhoutseweg/Rijnstraat). Cross the road at this crossing and walk onto the Herengracht (you will walk past the ROI). Keep on walking straight ahead (walk the whole Herengracht and also the Korte Poten). At the end of these two streets you will walk onto a square called 'het Plein'. Turn right and continue for approx. 150 meters into the Lange Houtstraat. Campus The Hague at Lange Houtstraat is located at your right hand side.

For Campus The Hague at the Lange Voorhout, please continue walking through the Lange Houtstraat and cross the Korte Voorhout, walk straight for approx. 200 meters and you will see Campus The Hague Lange Voorhout in front of you (a few buildings left to the yellow painted "Le Méridien/Hotel des Indes").
