Some notes on the table (also check the Explanatory Notes accompanying the form):

- You can add rows under the (bold print) headings. You cannot add headings.
- Years are Project Years. So for example: if your intended starting date is 1 October 2014, then Year 1 ranges from 1 October 2014 to 30 September 2015. Etcetera.
- In 3a you are asked to fill out the time you spend on your Veni (so including any FTE that your university may pay for work on your Veni). If your university pays (part of) the time you spend on your Veni you can indicate this in 3c.

*WP = Scientific Staff; NWP = Non Scientific Staff

Statements by the applicant

- My thesis manuscript has been approved and I will send the official declaration to NWO.**
(Compulsory for Veni applicants who have not yet received their doctorates, to be sent by post and as a PDF using the electronic system.)

Ethical aspects

	Not applicable	Not yet applied for	Applied for	Received
Approval from a recognised medical ethics review committee				
Approval from an animal experiments committee				
Permission for research with the population screening Act				

If applicable you need to send a copy of (one of) the aforementioned documents to NWO when your application has been granted and before the start of your project.

By signing this form I endorse the code of conduct for laboratory animals and the code of conduct for biosecurity/possibility for dual use of the expected results and will act accordingly if applicable.

- I have completed this form truthfully.**
- I have submitted non-referees.***

Name:

Place:

Date:

***It is possible to indicate non-referees (maximum of three names). This is optional for every applicant. The non-referees will NOT be asked to assess your application as referees. Do not incorporate the names in the application. Please submit the declaration, separate from your proposal, in PDF format via the electronic system.**

Please submit the application to NWO in electronic form (PDF format is required!) using the Iris system, which can be accessed via the NWO website (iris.nwo.nl). The only exception to this rule concerns applications within the Medical Sciences. The Medical Sciences division uses a similar system called ProjectNet, to which access is provided via the division's own website (www.zonmw.nl). For any technical questions regarding submission, please contact the Iris helpdesk (iris@nwo.nl) or the ProjectNet helpdesk (projectnet@zonmw.nl).
